

Nano Kimia Kavir Yazd
Knowledge Based
Pharmaceutical Company

The background features a faint, semi-transparent molecular structure of interconnected spheres and rods. Overlaid on this are large, semi-transparent geometric shapes: a blue triangle on the left and a green circle on the right, both overlapping a larger blue triangular shape at the bottom right.

Nano Kimia Kavir Yazd
Pharmaceutical Co.

Nano Kimia Kavir Yazd Knowledge Based Pharmaceutical Company was established in 2010 with the cooperation of a group of university experts and professors and started its research activities on the production of nanomaterials and pharmaceutical products by settling in the Development Center of the Nanobiotechnology of Yazd Science and Technology Park. In the early years, this company succeeded in obtaining several technology licenses from Science and Technology Park, then the site of its pharmaceutical unit with about 800 m² of pharmaceutical clean room with GMP class (C) and focusing on the production of various disinfectants Hospital, environment, surfaces and skin was launched in Mehriz Industrial Town. Currently, the company's various products are processed in 3 separate production halls with an area of about 2300 m², and quality of the products in the company's microbiology laboratories with GMP class C in according to regular chemistry are carefully tested and controlled.

In 2015, this pharmaceutical company succeeded in obtaining the title of "New Knowledge base company", and in 2019, it succeeded in obtaining the title of "Production Knowledge based company" from the Presidential Scientific and Technological Vice President.

Entrepreneurship and
production
Quality products
The main mission of
Nano Kimia Kavir Yazd

The foundations of Nano Kimia Kavir Yazd Pharmaceutical Company are based on the employment of specialized and committed young people, as well as research and development of science, and it is among knowledge-based companies. This company first provided 10% and 7.5% povidone iodine solution for supplying of the needs of the treatment and medical community and in the continuation of the activities, it has started to manufacturing other products. It is certain that in the coming years, the company's products will be more diverse with its young and expert colleagues, as well as the research and development unit located in the Yazd Science and Technology Park with modern facilities and equipment. The main goal of the company after entrepreneurship and employing the elite youth of this country will be the production of high quality products in the pharmaceutical, health and cosmetic fields at a reasonable price.

FARMAZIN

| Uses

- Use as a daily moisturizer for the skin of the hands, face and neck
- For specialized skin beauty devices

| Advantages

- Deep hydration
- Softener
- Skin rejuvenating
- Strengthen the protective layer of the skin

- Free of parabens, phthalates and sulfates
- Specialized hydrodermic gel, hydrating and rejuvenating the skin
- Moisturizer to improve skin elasticity
- Skin nourishing
- brightening and increasing skin transparency

| Packaging

- 260 mL

Hydrating Gel

Approvals

- ✓ Approved by The Food and Drug Administration (FDA).
- ✓ Complies with European standards, ISO21149, ISO16212, ISO17516.

Hydrating Skin Gel containing Hyaluronic Acid

Approvals

- ✓ Approved by The Food and Drug Administration (FDA).
- ✓ Complies with European standards, ISO21149, ISO16212, ISO17516.

Uses

- Hand, Face and Neck Skin
- Use as a makeup base

Advantage

- Water based formulation
- Skin nourishing
- 48 hours) durability

- Fast absorption
- Suitable for all skin types
- Skin restorer
- Prevent skin aging
- Protecting the skin from free radicals and air pollution

Packaging

- 250 mL

Hydrating Skin Gel containing Aloe Vera Extract

Approvals

- ✓ Approved by The Food and Drug Administration (FDA).
- ✓ Complies with European standards, ISO21149, ISO16212, ISO17516.

Uses

- Hand, Face and Neck Skin

Advantage

- Moisturizing
- Softener
- skin rejuvenating
- Strengthen the protective layer of the skin

- Suitable for all skin types
- Improving skin elasticity
- Skin nourishing
- Lightening and increasing the transparency of the skin

Packaging

- 250 mL

**FARMAZIN**

FARMAZIN

Dry Skin Emollient Gel containing Jojoba Oil

| Uses

- Hand, Face and Neck Skin
- Suitable for face makeup base

| Advantage

- Suitable for dry and sensitive skin
- Very light moisturizer
- Prevent surface wrinkles

- Reducing the amount of pollution and skin inflammation
- Balancing skin fatty
- Strong water supply
